Introduction

1. Recent amendments to insurance legislation have changed the way persons are notified to the Commissioner of Insurance (“the Commissioner”) under the Insurance Companies Ordinance 1987 (“the Ordinance”). They have also introduced other changes affecting notifiable persons.
2. These notes deal with four main areas of change:
 - (a) the particulars that proposed controllers, managing directors and chief executives and newly appointed directors and managers are required to provide to the Commissioner under the provisions of section 40 to 46 of the Ordinance.
 - (b) a widening of the definitions of controller, manager and main agent which means that certain positions which have not been notifiable became so with effect from 1st July 1996;
 - (c) the requirement, in the Third Directives, that controllers who propose to increase their shareholdings above specified levels shall give prior notification of their intent; and
 - (d) the requirement that an annual statement of shareholder controllers must be submitted at the same time as the Annual Returns.
3. These notes provide guidance on how the Commissioner expects the regulations to be interpreted and sets out the preferred procedures to be followed. However, whilst the notes are accurate, as far as the Commissioner knows, they do not have the force of law.

A. Particulars To Be Provided

4. Schedule 2 to the Insurance Companies (Prescribed Particulars) Regulations 1996 introduced, with effect from 1st July 1996, new notification particulars for proposed managing directors, chief executives and controllers and for newly-appointed directors and managers. These apply to all insurance companies licensed to carry on insurance business in Gibraltar except companies with their head office in an EEA State or those bodies set out in sections 17 and 18 of the Ordinance.
5. Any person who applies for the Commissioner’s consent to become managing director, chief executive or a controller of a Gibraltar licensed insurance company has to provide the new particulars, as does any person who is appointed a director or manager of a Gibraltar licensed insurance company.
6. We have packaged the particulars to be provided into a number of separate documents which relate to various positions. These are attached as annexes to this guidance note, which are designed to help notifiable persons identify the correct document. However, please note that the notification requirements are set out in the legislation (sections 40 to 46 of the Ordinance and Schedule 2 to the Insurance Companies (Prescribed Particulars) Regulations 1996) and you do not have to use the forms if you do not wish to do so.
7. We have also provided documents where notification has to be made but no particulars are specified in the legislation. These are optional Notification Docs 10 and 11. For the purpose of the details in the notification documents:-

“authority” means a licence or equivalent authorisation which may only be granted if the applicant fulfils certain criteria specified in legislation or by a supervisory or judicial authority or by a self-regulating organisation or professional body to carry on any business activity;

“controller”	has the same meaning as in section 2(15) of the Ordinance;
“court”	means any court wheresoever in the world;
“group of companies”	means a holding company and subsidiary within the meaning of section 2(32) of the Ordinance;
“position holder”	includes proposed position holder.

Advice On The Completion Of Notification Documents

8. Please provide your own proformas using the details shown on the appropriate document. When completing them, please pay particular attention to the following points:-
- where information is requested regarding individual particulars, the appropriate negative reply, if given, should usually be “none”, not “n/a” or “-”;
 - full addresses should be given, including postcodes, if applicable;
 - dates should always be given in the order day/month/year;
 - years and months of employment are required;
 - reasons for leaving jobs must be given;
 - gaps in employment history must be explained;
 - all offences, including motoring offences, must be disclosed;
 - all directorships must be given - not just those in respect of Gibraltar companies.

B. Definitions Of Notifiable Persons

9. Changes were made to the definitions of notifiable persons which apply, with certain exceptions, to all insurance companies which carry on direct insurance business and have their head offices in Gibraltar (“Gibraltar insurers”).
10. Please note that the new definitions do not apply to pure reinsurers. Pure reinsurer means a company that carries on only reinsurance business irrespective of whether or not its authorisation is restricted to reinsurance business.
11. Section 2(15) to (28) of the Ordinance introduces new definitions of controller, manager and main agent for Gibraltar insurers.
12. The definition of controller for Gibraltar insurers is further amended by changes to the definition of associate and subsidiary. These are dealt with below.

Definition Of Controller

13. Section 2(15) of the Ordinance amends the definition of controller for Gibraltar insurers to include a person who either alone or with any associate or associates:-
- holds 10 per cent or more of the shares of the insurer or in another company of which the insurer is a subsidiary undertaking;
 - is entitled to exercise or control the exercise of 10 per cent or more of the voting power in any general meeting of the insurer or another company of which the insurer is a subsidiary undertaking;

- is able to exercise a significant influence over the management of the insurer or another company of which it is a subsidiary undertaking by virtue of:-
 - (i) a holding of shares in; or
 - (ii) an entitlement to exercise or control the exercise of the voting power at any general meeting of,
 the insurer or another company of which it is a subsidiary undertaking.

(Please note that the reference to a holding of "10 per cent or more" refers to the nominal value of the shares).

Definition Of Associate

14. For the purposes of determining whether any person is a controller of a Gibraltar insurer, the definition of associate is expanded by section 2(18) of the Ordinance to include:-
- the trustees of any settlement under which that person has a life interest in possession; and
 - if that person is a company:-
 - (i) any director of that company;
 - (ii) any subsidiary undertaking of that company; or
 - (iii) any director or employee of any such subsidiary undertaking;
 and
 - if that person has made an agreement or arrangement with any other person:-
 - (i) with respect to the acquisition, holding or disposal of shares or other interests in the company concerned or in another company of which it is a subsidiary undertaking; or
 - (ii) under which they undertake to act together in exercising their voting power in relation to the company concerned or another company of which it is a subsidiary undertaking,
 that other person.
15. The main effects of these changes are that, in respect of Gibraltar insurers:-
- beneficiaries of trusts that acquire notifiable holdings become notifiable; and
 - two or more persons acting in concert are regarded as associates (for example, parties to a joint venture or shareholders' agreement will be associates in the majority of cases).

Definition Of Subsidiary Undertaking

16. For the purposes of determining whether or not any person is a controller of a Gibraltar insurer, the definition of subsidiary undertaking is that set out in section 2(32) of the Ordinance.

Definition Of Manager

17. The definition of manager is expanded for Gibraltar insurers by section 2(21) of the Ordinance in two ways:-

- the definition is widened to include non-employees appointed by the company to manage any part of its business, without geographical restriction; and
 - the geographical scope of the definition as regards employee managers is widened to include managerial functions carried out in an EEA State, not just in Gibraltar.
18. In addition to employees who, under the immediate authority of a director or chief executive, exercise managerial functions or maintain accounts or records, the definition includes a person other than an employee who is appointed by an insurer to manage any part of its business. Such a person can be an individual or a body corporate. Corporate managers and other non-employees whom a Gibraltar insurer appoints to manage any part of its business thus become notifiable persons. It should be noted that the definition of manager also includes the company secretary, whether he is an individual or a body corporate. The definition also includes persons who are responsible for the maintenance of the accounting records.
19. The expansion of the geographical scope, in respect of employees, to cover EEA States means that, for a Gibraltar insurer, the expanded definition of manager applies to managers of the company in all EEA States. Agencies or managers of the company in all EEA State, therefore, also become notifiable persons, irrespective of whether the manager is an individual or a body corporate, and irrespective of whether the manager is an employee or not.

Definition Of Main Agent

20. Main agent is defined in section 2(23) of the Ordinance. They are notifiable but no particulars are required to be submitted. We have included an optional proforma that companies may use, if they wish, as a means of notifying these changes to us.

C. Increases In Notifiable Holdings By Shareholder Controllers

21. The Third Directives introduce, for Gibraltar insurers only, a banding system for Shareholder controllers as follows:-

Band	Shareholding covered
10% shareholder controller	(10% or more but less than 20%)
20% shareholder controller	(20% or more but less than 33%)
33% shareholder controller	(33% or more but less than 50%)
50% shareholder controller	(50%)
majority shareholder controller	(more than 50%)

These definitions are set out in section 2(17) of the Ordinance.

22. The Third Directives also introduced a requirement that no person who is a shareholder controller may increase their shareholding so as to fall within a higher band without prior notification. The Third Directives also provide for the regulatory authority to have three months in which to object to such a proposed increase in shareholding. These requirements have been set out in section 42 of the Ordinance.
23. Prior notification must state -
- the intention to acquire such a holding; and

- the number of shares or details of the voting rights to be acquired.

There is no requirement for any other particulars to be provided by such a person.

24. Persons who cease to fall within a particular band, but remain within a lower band, are required by section 44 of the Ordinance within 7 days of the change to notify the insurance company of that fact and shall state the percentage of shares or voting power which he will (alone or with any associate or associates) hold or be entitled to exercise. The section 44(4) duty on companies to notify that a person has ceased to be a controller is expanded in the case of Gibraltar insurers to include notification of moves to a lower shareholder controller band to the Commissioner within a further 14 days.

D. Annual Statement Of Shareholder Controllers

25. Regulation 25 of the Insurance Companies (Accounts and Statements) Regulation 1996 implements the requirement of the Third Directives that an annual statement of shareholder controllers be provided by insurance companies.
26. This requirement applies only to Gibraltar insurers carrying on direct business. It does not apply to pure reinsurers.
27. The requirement came into operation on 1st July 1996 so it applies to Annual Returns of Gibraltar insurers due to be submitted for periods ending on or after that date.
28. Regulation 25 requires a statement to be annexed to the Annual Return identifying the persons who, to the knowledge of the insurer, have been at any time during the financial year shareholder controllers of the insurer and a statement of the shares held in the insurer or in a parent company of the company and the percentage of the voting power held. The statement should contain only three items:-
- the name;
 - the percentage of shares held in which company; and
 - the percentage of voting rights exercisable or controllable and in which company.

A suggested proforma is at Annex 3, but it is not necessary to use it.

29. The provision of statements of shareholder controllers will enable proper monitoring of compliance by shareholder controllers of insurance companies with the prior notification and approval requirements of sections 41 and 42.

Enquiries

30. As mentioned above, companies unsure as to their status regarding the changed definitions, and the new shareholder controller notification system should consult their legal advisers. Alternatively you may wish to discuss with the Insurance Supervisor on (350) 40283.
